

## ACTIONS

### Area 1

#### Poplar & Truse

- Support a program for local minority and women-owned businesses.
- Assess parking placement and encourage consolidation of parking.
- Improve streetscape through trees, lighting, and pedestrian amenities.

#### Poplar & Mendenhall

- Support institutions that contribute to the diversity of commercial areas and corridors.
- Add medians, landscaping, and other pedestrian protection measures on corridors of high vehicular count.

#### Poplar & Ridgeway

- Promote a program for local minority and woman-owned businesses to assist in sidewalk improvements.
- Improve streetscape through trees, lighting, and pedestrian amenities.
- Improve pedestrian crossings at major corridors and intersections.

#### Walnut Grove & Brierview/Baptist Memorial

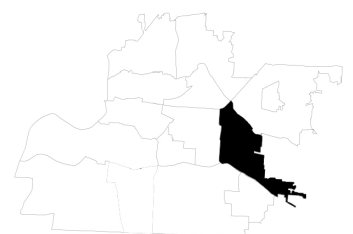

- Support existing institutions and development.

#### St. Francis

- Support existing institutions and development.

#### PRIORITIES

- Encourage development that promotes pedestrian and cyclist safety
- Build connections between neighborhoods, including collaboration among existing neighborhood associations and government entities
- Promote affordable, high quality housing options
